## DAMAGES AND SHORTAGES

The carrier is responsible for any merchandise lost or damaged in transit. **Should a package appear to be damaged, OPEN the package while the carrier’s driver is present and note all damages and/or shortages.** If this is not possible and you discover damaged goods or shortages, contact our Customer Service Department immediately! Damages and/or shortage claims must be made within 5 days of receipt of merchandise to ensure our ability to file a claim with the carrier. Please be sure to check all merchandise when you receive it and again before attempting installation.

Legendary Auto Interiors, Ltd. is committed to providing the highest possible level of customer service, however on rare occasions circumstances beyond our control can result in lost or damaged packages. To protect our customers against delays and having to make time consuming phone calls to the carrier, orders will incur a modest \$2.50 insurance fee on each shipment. In the event any products become lost or damaged we will then send replacement parts as quickly as possible, subject to material availability. We will also file the claims and deal with the carrier.

Carriers allow a short period of time to file claims. To take advantage of this service you must notify Legendary Auto Interiors, Ltd. of any damages within 5 days of receiving your delivery. Failure to contact us within this 5 day window will negate Legendary Auto Interiors further involvement.

# IMPORTANT ADDITIONAL INFORMATION

## WARRANTY INFORMATION

Legendary Auto Interiors, Ltd proudly stands behind all of the products and services we offer. All Legendary manufactured interior soft trim products are backed by an exclusive **Limited Lifetime Warranty** for as long as you own your car. In addition, we offer a 5-year warranty on all of our molded and exterior soft trim products. Legendary Auto Interiors, Ltd also offers a huge selection of interior components, which we warranty for a minimum of 1 year in accordance with the original manufacturers product warranty. **Product Disclaimer: Normal wear from use or problems due to improper installation are excluded from any warranty.**

## LEGENDARY GUARANTEE

All Legendary Auto Interiors, Ltd manufactured products are made to original specifications and are guaranteed to fit. In the event that you experience a problem with any of our products or are dissatisfied with our service, we will make every effort to resolve and correct your issue promptly and do our best to make sure that you are completely satisfied.

## INTERIOR COLORS/GRAINS

Legendary Auto Interiors, Ltd offers one of the most diverse product lines available in the marketplace. We feature the correct “color matched” and “grain matching” materials for nearly all models and styles. Due to the extensive number of colors produced by Chrysler, AMC and General Motors, there are some colors, which are simply not available in reproduction form. As the demand for colors increases, we are constantly having previously unavailable colors reproduced. In the event that a vinyl or cloth is not available in reproduction form, the use of NOS material may be required. Please inquire for a current quote, as the price and availability of these NOS materials will vary. To ensure a correct color and grain match, your interior trim code may be required for verification. As color dye lots will vary, we recommend purchasing all your soft trim components at the same time to ensure an exact color match of all components throughout your interior. **Color and grain samples are available upon request at no charge.**

## LEATHER INTERIORS

Legendary Auto Interiors, Ltd produces a large number of “as original” leather interiors that are color matched to the original. Special order custom leather interiors are also available upon request. Some applications may require a clean, non-faded sample to ensure the closest possible color match. Leather interior orders may require additional lead-time as well as additional costs, which will be quoted at time of your order. **Note: Due to the variable nature of real leather, minor marks and features are normal and add to the character & individuality of leather products.**

## CUSTOM ORDERS

In addition to “As Original” reproduction interiors, Legendary Auto Interiors, Ltd specializes in and is proud to feature “CUSTOM” interiors servicing the Resto-Mod enthusiast. With the introduction of our new & exclusive *Legendary* product, custom orders have taken on an entirely new look and have given enthusiasts almost limitless options to create a one of a kind interior. Special Order and Custom interiors require approval for all designated materials being used and a signature approval on a “Custom Order” form is also required. Once the Custom work has been approved these orders must be prepaid and are Non-Returnable, Non-Refundable and Non-Cancelable.

## INSTALLATION NOTES

Since age deteriorates certain areas of seats due to wear patterns and foam breakdown, certain adjustments and foam repair may be required to complete a perfect fit installation. For this reason, we recommend having a professional automotive interior trim/upholstery shop install your new Legendary Auto Interiors, Ltd soft trim products. As the manufacturer, we know how to install our products better than anyone and we offer complete installation services for both seat upholstery and door panels. For further information, see the **INSTALLATION GUIDE** included with your seat upholstery and door panels or the installation page of this catalog.

## PRODUCT DEVELOPMENT & PATTERNS NEEDED

In an effort to develop new upholstery kits, door panels and other soft trim products we work hand in hand with many of our customers who provide their original parts for product development. These items must be ORIGINAL, in fair to good condition and have not been previously repaired or replaced in any way. Our Sales Department must be contacted directly before sending your old upholstery or other soft trim products to us. Since we have no idea about the usability of your parts until we receive them in, you may initially be asked to send photos in an effort to identify the condition of your original parts. Please remember that even if you send in your parts for inspection, we may not be able to use them. **PLEASE NOTE THAT OLD UPHOLSTERY AND OTHER SOFT TRIM ITEMS CANNOT BE RETURNED TO YOU, AS THEY WILL BE DISMANTLED FOR DEVELOPMENT USE.**

## MAINTENANCE

All Legendary Auto Interiors, Ltd products may be cleaned with a mild soap and warm water solution. Never scrub or use any kind of harsh pads, brushes or detergents. After cleaning with mild soap and water, lightly clean again with an industrial grade wax and grease remover. (Contact your local auto parts store) Allow surface to dry. LIGHTLY mist with the vinyl protectant of your choice. Install your new parts into your cruising machine. Sit back, enjoy the ride and drive safely!! Note: On leather upholstery applications we recommend using a high-quality mink oil, neatsfoot oil and/or wax. Hand apply, let stand 30-60 minutes and then wipe /buff clean. LIGHTLY rub your soft trim product with oil and wipe excess oil from the surface. **DO NOT USE SILICONE BASED PRODUCTS** as they will deteriorate the thread and dry out leather.
